Office of the Legislative Counsel

Wednesday - 16 March 1960

25X1A 1. In accordance with prior arrangements, Walter Reynolds, Glenn Shriver and Eli Nobelman from the staff of Senate Government Operations were given a thorough briefing and tour through OCR by Paul Borel, [] and others. They seemed most appreciative of the information they received. In addition, [] gave them a run-down on Project [] on which they already had some knowledge from IBM. They did request some written information which Mr. Borel is pulling together. At all times Mr. Reynolds was solicitous of the CIA security and agreed that nothing would be utilized in Committee reports or otherwise without prior CIA clearance.

25X1A 2. [] attended the hearings of the Senate Space and Preparedness Investigating Committee as an observer. The witness was Secretary of Defense, Honorable Thomas S. Gates, Jr. A copy of Gates' prepared statement was forwarded to the Director and arrangements were made to obtain a copy of the transcript of his full testimony.

25X1A 3. [] of OTR called to advise that an OTR trainee had attended the open hearings of the House Foreign Affairs Committee on Monday, 14 March. These hearings were on the Mutual Security bill. The trainee reported that during the course of his testimony, General Willoughby made several critical statements concerning the Agency. Arrangements are being made to obtain a copy of Willoughby's testimony.
